## Handheld, Direct-Drive, Electric-Powered Cold Water Pressure Washers

# Handheld, Electric-Powered Cold Water Pressure Washers

## Ideal For Cleaning In Tight, Indoor Spaces

Kärcher's handheld electric direct-drive cold water pressure washers incorporate industrial features with a highly mobile design.

Built with durable steel frames they are significantly more rugged than typical consumer substitutes. These models come with dependable Axial or Triplex pumps, high-pressure hose, a stainless steel wand and detergent injector with brass soap nozzle.\*

- Portable
- Easy to Transport
- Direct-Drive Pump
- Heavy-Duty Steel Frame
- Industrial Motor

### TYPICAL APPLICATIONS

- Restaurants
- Food Processing
- Homeowners
- Light Equipment
- Auto-detailing
- Bakery
- Remote wall switch with 10' electrical cord comes standard for convenience (available on HD 2.0/14 Ed+)
- Ergonomic, spring-loaded trigger gun has insulated, two-piece twist-lock spray wand to reduce operator fatigue
- Conveniently mounted 15° quick-couple nozzle for most effective cleaning

\* Detergent injection not included on HD 2.0/14 Ed+

- Pressure-controlled auto start/stop (available on HD 2.0/14 Ed+) ensures motor and pump shut down automatically when trigger gun is released
- Reliable industrial motors, reset button, capacitor start and full-service factor for longer life
- 25' steel-wire braid high-pressure hose is rated for 3000 PSI and comes with a 24-inch hose guard for burst protection
- Rubber pad feet absorb vibration for long life and keep the unit from "walking"

- Pump protected by Thermal Pump Protector to prevent build up of excessive heat
- Durable unloader diverts water flow when trigger gun is not in use
- Tri-lingual labels are included with operating instructions in English, Spanish and French on the machine for operator convenience and added liability protection.
- 36' electric cord with NEC approved ground fault circuit interrupter for operator protection
